

MP-209

Size:	1000- 1800x1850mm
Product shape:	Screen
Material:	Aluminum alloy

MP-409

Size:	1600- 1800 x1850mm
Product shape:	Screen
Material:	Aluminum alloy

MC-409

Size: 800x800 x1850mm
900x900x1850mm
1000x1000x1850mm

Product shape: L shape

Material: Aluminum

WY-010

Size: 800 /900 / 1000 x1850mm

Product shape: L shape

Material: Aluminum

MF-409

Size: 800x800 x1850mm
1000x1000x1850mm
1200x1200x1850mm

Product shape: Fan shape

Material: Aluminum

IP-80

Size: 800 x1400mm

Product shape: Bath screen

Material: Aluminum

LP-140

LP-140 is a shower door that has a smooth single sliding door with high-quality wheels that passed 100,000-time testing in the laboratory. LP -140 comes with all mounting hardware, making installation simple.and easy. The enclosure comes with special technology to prevent the glass from hitting the wall, and it has top rail supports that ensure wall anchoring and reinforce wall stability.
